Netflix, Crave, Amazon Prime, Disney+, Apple TV; there are many popular streaming services with a variety of content, but due to public performance restrictions these streaming services cannot be used in schools.

Fortunately, our school board has access to a variety of education videos, feature films, and other great resources via the Learn 360 database. You can access it by:

1. Logging in to D2L: [wcdb.elearningontario.ca/d2l/local](http://wcdb.elearningontario.ca/d2l/local)
2. Visiting the Virtual Learning Commons: [vlcguides.wcdsb.ca](http://vlcguides.wcdsb.ca)

If you are using Learn360 on a non-WCDSB computer, device, or network, you need to obtain the login information from your school’s library technician.

For more assistance, please see the staff in your school’s Learning Commons.
